A SOUTHERN COMPANY

Always on.™

For more than 90 years, companies and communities have counted on Alabama Power to provide free, confidential site selection services in Alabama. Put this experience to work for you-whether reviewing available buildings and sites, performing community-based strategic planning, or researching labor costs and financial incentives-we can help. Alabama Power offers electrical service that is more than 99.9% reliable, with prices 15% below the national average. We would like to tell you more about the opportunities for communities and companies to prosper in Alabama. Call Alabama Power's Economic and Community Development team at 1-800-718-2726 or visit us on the web at www.amazingalabama.com.
